Supreme Court ERT FAQs: POSITIVE TEST WHILE SYMPTOMATIC OR ASYMPTOMATIC:

If the employee or judicial officer tests positive:

- The employee or judicial officer must:
 - ❖ **Self-isolate** for fourteen (14) days from the date of the positive test
 - ❖ Be able to pass the daily screening before returning to work.
 - ❖ Management should not require a NM DOH clearance (return to work) letter, and should not require a negative test before allowing the employee to return to the workplace. Employees may continue to test positive while still being released by the NMDOH as no longer infectious.
