BACKGROUND INFORMATION

During the 2022 Session, the Legislature passed the Family Representation and Advocacy Act (HB46) creating the Office of Family Representation and Advocacy (OFRA) as an independent agency in the Executive. On March 8, 2022, Governor Michelle Lujan Grisham signed the bill into law.

OFRA will have the independence and authority to create policy and practices that will immediately strengthen the legal representation we are statutorily required in the Children's Code to provide children and parents, custodians and guardians in child abuse neglect cases.

The need to improve the quality of legal representation to children and parents involved in the child abuse and neglect system has been well-established in several studies and system assessments over the last two decades.

Legal representation is currently provided by about 100 attorneys under contract with the Administrative Office of the Courts (AOC). We need to move this out of AOC because they do not have the budget or other resources to monitor quality and improve representation.

The Office of Family Representation and Advocacy will be overseen by a thirteen-member Family Representation and Advocacy Commission. OFRA will have both employed attorneys as well as contract attorneys across the State. The legislation requires the Commission to be in place no later than September 30, 2022, and that a Director be hired for the Office no later than December 31, 2022. The Court Appointed Attorney program will be transferred to OFRA beginning in FY2024 which begins July 1, 2023.

The intent is to create a highly qualified attorney workforce with reasonable caseloads and decent compensation. OFRA will provide extensive training for all staff and institute quality control and performance monitoring; develop supports for attorneys to include mentors, paralegals, investigators, and administrative staff; and engage appellate attorneys and services

Over time, the Office will add Interdisciplinary Legal Teams to address the conditions that brought families into the child abuse and neglect system. Case workers, navigators, and peer mentors will help address issues such as housing, food insecurity, and employment as well as behavioral health issues. The model draws on established best practices that have been demonstrated to result in shorter time in care and other positive outcomes for children and families.

Sufficient funds are currently in place to sustain current operations under OFRA. These funds come from the Court Appointed Fee Fund and from Title IV-E monies. The additional funds to build out the Interdisciplinary Legal Teams and to expand to a total of five regional offices will be sought from the legislature beginning in 2023.

The contractor in this position will identify and implement the budgetary, infrastructure, legislative, and operational tasks required to create OFRA as an independent adjunct agency in the Executive branch of New Mexico State government. The contract will extend for a one-year period, beginning on July 1, 2022 and ending June 30, 2023. The Contractor will work with the AOC, Executive Director once hired, the existing Family Representation (FRC) that planned OFRA, and with the Family Representation and Advocacy Commission (FRAC) that will oversee OFRA, once created.

PURPOSE OF REQUEST FOR PROPOSALS

Solicitation of Proposals

This Request for Proposals (RFP) has been developed for the purpose of soliciting, evaluating, and selecting proposals in a fair and competitive manner. If an offeror fails to meet any mandatory items set forth in this RFP, their proposal will be declared non-responsive.

All costs incurred by the offeror in the preparation, transmittal, or presentation of any proposal or material submitted in response to this RFP shall be borne solely by the offeror.

Before the award is made, the AOC may conduct discussion with offerors who submit proposals that are determined to be reasonably susceptible of being selected for awards, but the award may be made without discussions.

When it is in the best interest of the State of New Mexico, this RFP may be canceled, or any and all proposals may be rejected in whole or in part.

Any contract awarded as a result of this RFP process may be terminated or reduced in scope if sufficient appropriations or authorizations do not exist. Such termination will be affected by the AOC by

sending written notice to the contractor. The decision of the AOC as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

Applicants may revise or withdraw their proposal before the proposal submission deadline date and time by delivering written notice to the AOC Procurement Manager. The revision or withdrawal must be signed by the person submitting the proposal.

If it becomes necessary to revise any part of the RFP or if additional information is needed to clarify any provision of the RFP, the revision and/or additional information shall be provided to all persons who receive the RFP packet. All persons intending to make a proposal shall provide written acknowledgment of receipt of any revisions or supplements. The AOC shall not issue a revision or supplement to the RFP less than seven working days before the deadline set for the receipt of proposals, unless the AOC extends the deadline.

Any protests of the award must be made in accordance with the Procurement Code, NMSA 1978 Section 13-1-1 through 13-1-199.

Acknowledgement of Receipt May 9, 2022 at 5:00 p.m. MDT

The procurement distribution list will be used for the distribution of written responses to questions. Failure to return the Acknowledgement of Receipt form shall constitute a presumption of receipt and rejection of the RFP, and the potential offeror's organization name shall not appear on the distribution list.
