BACKGROUND INFORMATION

In September of 2018, the Judiciary of New Mexico was awarded a federal grant through the United States Health and Human Services Department, Children’s Bureau to improve outcomes for children and families in the child welfare system. This award is titled “Strengthening New Mexico’s Child Welfare System Through Interdisciplinary Practice” Grant Award No. 90CO1136-01-00 and will run from 2018 through 2023. The grant supports the efforts and expansion of the New Mexico Family Advocacy Program (NMFAP) (<https://nmfap.nmcourts.gov/>). The program provides parents in child welfare cases an interdisciplinary team of attorneys, social workers, and parent peer mentors so that families are given enhanced advocacy and support for reunification or other preferred outcomes.

The program began in 2013 in Sandoval County and through the grant has been implemented and continues to grow in the following counties: **Bernalillo** (2nd Judicial District); **Cibola, Sandoval** and **Valencia** (13th Judicial District); and **San Juan** (11th Judicial District). Expansion is now being explored for additional sites throughout the State of New Mexico with particular focus on **McKinley** (11th Judicial District) and **Doña Ana** (3rd Judicial District) counties. The Administrative Office of the Courts (AOC)/NMFAP is seeking proposals from certified peer support workers to provide parent peer mentor coordination, leadership, and services as part of an interdisciplinary legal team to parents who are parties to child abuse and neglect cases in the aforementioned counties.

PURPOSE OF REQUEST FOR PROPOSALS

Solicitation of Proposals

This Request for Proposals (RFP) has been developed for the purpose of soliciting, evaluating, and selecting proposals in a fair and competitive manner. If an offeror fails to meet any mandatory items set forth in this RFP, their proposal may be declared non-responsive.

The contract will be for an initial one-year period with an option to renew each year after the first year for no more than three additional years at the discretion of the Administrative Office of the Courts (AOC). Continuation of the contract for each additional year will be contingent upon satisfactory contract compliance by the contractor as determined by the AOC and upon sufficient funding.

All costs incurred by the offeror in the preparation, transmittal, or presentation of any proposal or material submitted in response to this RFP shall be borne solely by the offeror.

Before the award is made, the AOC may conduct discussion with offerors who submit proposals that are determined to be reasonably susceptible of being selected for awards, but the award may be made without discussions.

When it is in the best interest of the State of New Mexico, this RFP may be canceled, or any and all proposals may be rejected in whole or in part.

Any contract awarded as a result of this RFP process may be terminated or reduced in scope if sufficient appropriations or authorizations do not exist. Such termination will be affected by the AOC by sending written notice to the contractor. The decision of the AOC as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

Applicants may revise or withdraw their proposal before the proposal submission deadline date and time by delivering written notice to the AOC Procurement Manager. The revision or withdrawal must be signed by the person submitting the proposal.

If it becomes necessary to revise any part of the RFP or if additional information is needed to clarify any provision of the RFP, the revision and/or additional information shall be provided to all persons who receive the RFP packet. All persons intending to make a proposal shall provide written acknowledgment of receipt of any revisions or supplements. The AOC shall not issue a revision or supplement to the RFP less than seven working days before the deadline set for the receipt of proposals, unless the AOC extends the deadline.

Any protests of the award must be made in accordance with the Procurement Code, NMSA 1978 Section 13-1-1 through 13-1-199.

Acknowledgement of Receipt April 24, 2022 at 11:59 p.m. MDT

Potential offerors should email the "Acknowledgement of Receipt Form" (APPENDIX A) to be placed on the procurement distribution list. The form should be signed by an authorized representative of the organization, dated, and returned to the Procurement Manager on **April 24, 2022 by 11:59 p.m. MDT**.

The procurement distribution list will be used for the distribution of written responses to questions. Failure to return the Acknowledgement of Receipt form shall constitute a presumption of receipt and rejection of the RFP, and the potential offeror's organization name shall not appear on the distribution list.

Scope of Work

The scope of this procurement includes professional services and related administrative tasks. The initial contract shall begin on or about July 1, 2022 and run through June 30, 2023.
